

## Black is soooo sexy! FUN FACTORY presents the new BLACK LINE collection

Deep, dark black – as elegant and secretive as a raunchy night. No matter when, where or how, with the exclusive FUN FACTORY vibrator series in seductive deep black, reaching for the contents of your nightstand will now always begin an extravagant journey of the senses.

**Bremen, November 2016.** Night is the friend of lovers! You don't need to tell this to the north German sex toy manufacturer, who has added an extra portion of elegance to its bestsellers with the exclusive BLACK LINE collection. FUN FACTORY gives arousing fantasies the right touch, fulfilling each and every (vibrational) wish with four select toys. Black all over – the toy body and the control panel in complete, darkest

black make a super sexy statement!

### **BIG BOSS – The extra powerful gentleman**

The vibrator for even the most titillating fantasies! Thanks to its powerful, ultra quiet motor, the BIG BOSS – BLACK LINE rumbles at a low frequency and extra powerfully. With its impressive shaft (23cm long, 4,6cm wide), the BIG BOSS will have you experiencing unparalleled highs. Thanks to the patented FlexiFUN Technology™, the BIG BOSS matches every move, an added highlight to all your favorite positions. This sexy black secret is ready to move in for 99,90 € RRP.

### **MiSS Bi – The dark lady**

Ready for an unforgettable night? MiSS Bi – BLACK LINE overcomes all the senses with its two separately operable and powerful motors and its many varying vibration settings. Just like the others in the G5 line, MiSS Bi knows exactly how to stimulate the clit and G-spot. Pure convenience – your favorite vibration from over 49 settings can be stored at the click of a button. Just one click and you're on your way to heaven! For 109,90 €, MiSS Bi will become your new nighttime bestie.

### **TIGER – Wild cat goes black!**

This night cat makes lovers purr! The TIGER creeps up on you – quiet but fierce – this time in a sleek pitch black. The TIGER – BLACK LINE seduces you at a glance, guaranteeing you FUNtastic hours of passion and desire with its intense vibrations. Its pronounced head lends itself excellently for spot-on G-spot or prostate massage for HIM and HER. This wild safari begins at 99,90 € RRP.

All BLACK LINE toys are easily rechargeable via the Click'n'Charge system, letting the FUN never stop. Your fantasies can now go beyond all boundaries, as these fantastic four are waterproof and can even be taken out into the cold. All FUN FACTORY products are made exclusively in Germany from medical grade, body friendly silicone.

Reprint free of charge. Please send a receipt.

### **About the FUN FACTORY GmbH:**

FUN FACTORY, one of Europe's largest manufacturers of aesthetic and stylish silicone love toys, has its headquarters along the riverbanks of the Weser in Bremen, Germany. From the first sketch, to the design, technical implementation and completion of the toy – the trends and latest hits of the industry are and remain "Made in Germany" and come directly from the Hanseatic city. It was here in 1996 that FUN FACTORY GmbH was founded by Dirk Bauer and Michael Pahl. In 2003, the first subsidiary of FUN FACTORY opened in the USA. Today the company has over 150 employees and makes customers from all over the world happy with its products.
