

Spring fever is here – the new MiniVIBRATORS from FUN FACTORY

Sometimes it's the small things in life that really count – DeluxeVIBES and SmartVIBES take center stage in new finery!

Bremen, March 1, 2013 – for all you lovers of special moments FUN FACTORY is at the ready with exciting new vibrators in a smaller format and just in time for spring. These best-sellers among the minis shine with new shapes and colors. More luxury, even more style and even more fun!

Harbingers of spring: PEARLY and FLORA.

FUN FACTORY has completely reworked its much loved and flexible DeluxeVIBES series. Even more luxury with a new ergonomic control unit in classy gold tones. Plus fresh colors and a boost in style – but there's more. Thanks to the new control unit users can adjust the intensity of the fun even better. Aficionados know what that means – PRESS FUN TO PLAY. New rechargeable minis in a chic design with a more powerful motor and new interval programs for greater excitement at all vibration levels!

Another new feature is the key lock, perfect for discrete carrying in a purse and on long trips. So in no time at all these little vibrators become a favorite companion for passionate moments. Plus, there are two new playmates among the DeluxeVIBES: PEARLY and FLORA. PEARLY is elegant, slightly curved and knows how to double the power of passionate stimulation. A snub round tip pleasures from outside while the ergonomic shape delivers passion inside. FLORA gets users excited with its springy flower design and gives the gift of intense moments bit by bit. Two companions who know exactly how to transform spring fever into intoxicating joy.

New in SmartVIBES: Gigolino.

Our battery operated mini vibrators also have some news. All the best-sellers like OCEAN or FLASH are now in a battery operated variation – always ready for action not to mention easy on the wallet. An updated control unit in black matte and glossy supports the functional design. Improved vibrations promise even stronger sensations. And also the smart mini vibrators get some modern, fresh colors and a new playmate in the GIGOLINO. A mini that promises to live up to its name!

May be re-printed free of charge - a receipt is kindly requested.
