

New minis for on “land” ...and in the water

The FUN FACTORY mini-vibrator family is getting some new back-up! SEMILINO and DOLLY BI now promise even more fun in bed or in the bathtub.

Bremen, June 2013 – The waterproof, rechargeable Mini-Vibrators from FUN FACTORY contain a new, powerful motor and stimulate in six thrilling intensities and rhythms. Thanks to the innovative CLICK 'N' CHARGE technology recharging is a simple matter and the magnetic system makes the toys totally waterproof because an opening is no longer needed for a plug connection!

SEMILINO looks a bit like his bigger brother SEMIREALISTIC and knows how to excite with its structuring and gently curved shape! And those FUN FACTORY experts have always known that dolphins make better lovers. DOLLY BI the latest addition to the family enchants with a friendly, pert flipper perfect for the most sensitive parts.

The Mini VIBRATORS from FUN FACTORY captivate with functionality and design and are the perfect power package to discretely tuck away in any bag. Perfect for beginners and experienced pleasure-seekers.

YOUR PERFECT MOMENT

About FUN FACTORY Ltd:

FUN FACTORY, one of Europe's largest and most successful manufacturer of aesthetic and stylish love toys, has its headquarters in Bremen, right on the Weser river. From the first sketch, to the design and the technical implementation right up to completion of the toy – the trends and latest hits in the industry are and remain "Made in Germany" and come directly from this Hanseatic city. It was here that FUN FACTORY was founded in 1996 by Dirk Bauer and Michael Pahl. In 2003, the first subsidiary of FUN FACTORY opened in the USA. Today the company has over 120 employees and makes customers from all over the world happy with its products.
