

Spanking for professionals: BÜCK DICH

For all those spanking fans, SM fans, adventurous types or those who'd simply like to be, BÜCK DICH is exactly the right toy. With its 2 in 1 stimulation, the latest FUN FACTORY innovation surprises in a very special way: As a spanking toy and dildo in one, this sex toy gives every hot encounter that extra bit of spice.

Bremen, November 2016. FUN times two! With the new sex toy BÜCK DICH your fantasies will know no boundaries. For couples who are intrigued by a little role play during sex or simply prefer it more intense and a tad rougher, the BÜCK DICH is a MUST.

BÜCK DICH is just as sensational as its shape would have you think, and turns sex into an unrestrained and intense adventure full of FUN and desire. With the paddle made from reinforced silicone (thanks to its plastimorph core), your partner can indulge you with a light, or perhaps more intense spanking, leaving some hot tingling sensations on the skin. Once you're ready for more, BÜCK DICH shows you just how much hotter it can get. Turned over, the structured handle becomes a dildo that stimulates HIM or HER at the G-spot or prostate to completely blow your mind.

With BÜCK DICH, FUN FACTORY expands its wide product diversity and once again proves to be a pioneer in toy innovation. The north German sex toy expert has its headquarters and production in Bremen. BÜCK DICH as all FUN FACTORY products are made in Germany.

BÜCK DICH is available in red and black in all FUN FACTORY stores in Bremen, Berlin and Munich, as well as online at www.funfactory.de for 79,90€ RRP.

About the FUN FACTORY GmbH:

FUN FACTORY, one of Europe's largest manufacturers of aesthetic and stylish silicone love toys, has its headquarters along the riverbanks of the Weser in Bremen, Germany. From the first sketch to the design, technical implementation and completion of the toy – the trends and latest hits of the industry are and remain “Made in Germany“ and come directly from the Hanseatic city. It was here in 1996 that FUN FACTORY GmbH was founded by Dirk Bauer and Michael Pahl. In 2003, the first subsidiary of FUN FACTORY opened in the USA. Today the company has over 150 employees and makes customers from all over the world happy with its products.
