

WALK ON THE DARK SIDE OF PASSION

Bondage, secret role-play, domination and subordination all bring a special titillating charm with them, although for a long time an infamous reputation has clung to this darker side of eroticism. However, mainstream fascination has been revealed by the overwhelming success of various novels and book series that focus on the subject and make it socially acceptable. For those who want to try more taboo and exotic sex practices, FUN FACTORY has compiled the exclusive PASSIONATE SHADOWS BOX, where a sensual hidden side of passion can be discovered.

Bremen, November 2014 – With the PASSIONATE SHADOWS BOX from FUN FACTORY for the first time it is possible to experience a gentle side of bondage at a great value. With toys from FUN FACTORY and sensual products from the French cosmetics company YESforLOV, buyers will find only the highest-quality products in the PASSIONATE SHADOWS BOX, which all come together to titillate the senses.
